You may seek treatment with the hospital or doctor of your choice. Additionally, to help you locate health care providers outside the U.S., IMG provides its online International Provider AccessSM (IPA), a database of over 17,000 providers.

Akeso Care Management[®] (ACM[®])

The ability to access quality health care is of paramount importance when a medical emergency arises abroad. To coordinate care and provide U.S. and internationally based medical management services, IMG formed ACM, a URAC accredited, on-site specialized division devoted entirely to medical management. ACM's clinical members are experts at assessing the need for services and ensuring those services are delivered in a timely, cost-effective manner.

From routine medical care to complex case management, from check-ups to emergency medical evacuations, ACM is there for you. They are committed to patient protection and empowerment, quality operations and provider compliance. This translates into better care for you - around the world, around the clock.

Universal Rx Pharmacy Discount Savings

This is a discount savings program available to every insured of the Patriot America Plus plan. This program allows card holders to purchase prescriptions at one of over 35,000 participating pharmacies in the U.S. and receive the lower of **1)** Universal Rx contract price or **2)** the pharmacy regular retail price.

This *discount* program is not insurance. It is purely a discount program available to insureds in the Patriot America Plus plans. Use of the discount card does not guarantee that medication is covered or will be reimbursed under the insurance plan.
